# North Shelby Library Teen Tech Week Pixel Art

The North Shelby Library invites teens (6th-12th graders) to create a pixel art design. The top designs will be recreated in the interior Teen Department windows using sticky notes during Teen Tech Week (March 6-10). All are invited to help put up the art.
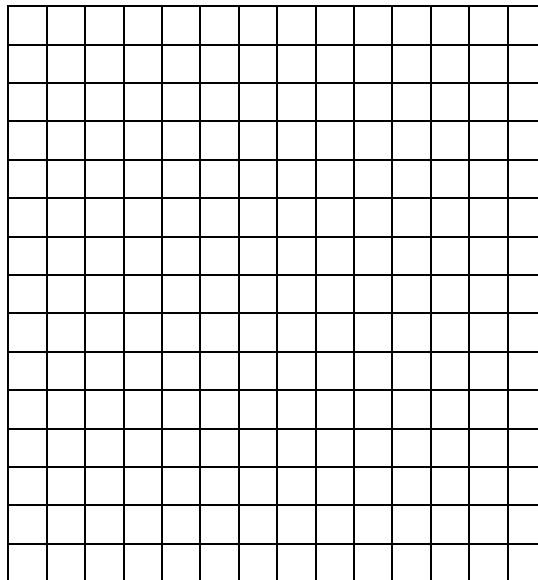

Design It! Choose either large or small notes to work with and color in the boxes to create your design. We will try to match your colors but remember that sticky notes have a limited palette. You can turn in your design at the North Shelby Library or email it to nsyouth@shelbycounty-al.org. Designs due by 5 pm on February 20.

For more information contact Kate at 205-439-5512 or nsyouth@shelbycounty-al.org.
