

PUBLIC COMMENTS

Any resident whose North Shelby Library District assessment is paid in full may speak for a maximum of two (2) minutes on any Library related subject at any regular Board meeting during the public comments portion of the agenda. A resident with assessments owed or any other attendee may leave written comments to be attached to the minutes.

Anyone who wishes to speak must notify the Library Services Director at nsdirector@shelbycounty-al.org at least four days prior to the meeting so your residence and assessment status may be determined and your name added to the agenda.
