

# REQUEST TO SERVE RECONSIDERATION OF LIBRARY RESOURCES REVIEW COMMITTEE

A library patron residing in the North Shelby Library District who is in good standing with the library and current on District Assessments may request to serve on a Reconsideration of Library Resources committee by filling out this form. Details of the reconsideration policies and procedures may be found on the library's website, [www.northshelbylibrary.org](http://www.northshelbylibrary.org).

The five-member ad hoc committee will consist of the following: an Alabama-certified K-12 educator, a public librarian from the community, a North Shelby Library District librarian, a member of the Friends of the North Shelby Library or Mt Laurel Library, and a library patron residing in the North Shelby Library District who is in good standing with the library and current on District Assessments.

Reconsideration policies ask those charged with reviewing a challenged book to set aside their personal beliefs and evaluate the work in light of the objective standards outlined in the library's collection development policy.

The personal identification of a member of the committee will remain anonymous to protect the objectivity of the deliberation.
